

Welcome to **AI Tutor - Math, Writing!**

Trusted Android App built the **AI Tutor - Math, Writing** as an Ad Supported app. This service is provided by **Trusted Android App** at no cost and is intended for use as is. This page informs visitors about the policies regarding the collection, use, and disclosure of personal information when using the service.

Information Collection and Use

We do not collect any personally identifiable information (PII) from users when you download our Android application. Registration is not required, and we do not track user visits or store such PII on our servers. However, please note that the app utilizes third-party services that may collect information to identify you. You can find the privacy policies of these third-party service providers below:

- [Google Play Services](#)
- [AdMob](#)
- [Meta Audience Network](#)
- [Pangle](#)
- [Firebase Analytics](#)

Permissions On Your Device

AI Tutor - Math, Writing requires certain permissions on your device to function properly. These permissions include:

Cookies

AI Tutor - Math, Writing does not use cookies explicitly. However, please note that the app may use third-party code and libraries that utilize cookies to collect information and improve their services. You have the option to accept or refuse these cookies. If you choose to refuse our cookies, certain features of the service may not be available to you.

Service Providers

We may engage third-party companies and individuals for the following reasons:

- To facilitate our service
- To provide the service on our behalf
- To perform service-related services
- To assist us in analyzing how our service is used

These third parties may have access to your personal information solely for the purpose of performing assigned tasks and are obligated not to disclose or use it for any other purpose.

Security

We value the trust you place in us by providing your personal information. While we strive to use commercially acceptable means to protect your information, we cannot guarantee its absolute security. Please be aware that no method of transmission over the internet or electronic storage is 100% secure.

Children's Privacy

AI Tutor - Math, Writing does not address individuals under the age of 13. We do not knowingly collect personally identifiable information from children under 13. If we discover that a child under 13 has provided us with personal information, we will immediately delete it from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we can take the necessary actions.

We prohibit users from creating, uploading, or distributing content that facilitates the exploitation or abuse of children, including all child sexual abuse materials. We prohibit other content that is harmful or inappropriate for our users, per the Inappropriate Content policy.

Changes to This Privacy Policy

We may update our privacy policy from time to time. It is recommended to review this policy periodically for any changes. We will notify you of any updates by posting the new privacy policy on this page. These changes are effective immediately upon posting.
